ELROD & DUNHAM DENTISTRY

We are proud to offer a specialist in our office, allowing you to receive advanced endodontic care without the need to be referred to an outside practice. This means your treatment can be completed conveniently under one roof, with a team you already know and trust.

What to Expect:

An initial consultation with our specialist will be required prior to treatment, even if you have previously been evaluated by another provider. This visit includes:

Diagnostic Exam \$150.00

CBCT X-ray \$300.00

Pulp vitality testing \$50.00

We are happy to file claims with your insurance on your behalf however, your estimated patient portion is due at the time of service.

- As this is specialty care, dental insurance benefits may differ from those for general dentistry services.
- Any remaining balance after insurance processing will be due upon receipt of your statement.

If you have any questions,
our team is always happy to assist you.
